One Day to Easter

To-day is the last day in which to prepare for the day of days when a woman desires to be well-dressed. Though it is the last moment, there are plenty of pretty things to choose from. Several shipments of merchandise, which were expected several weeks ago, have been received; so everything is fresh and new in every one of our departments. We will esteem it a favor to be of service to

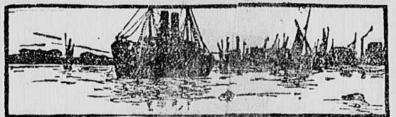

Easter Suits at \$25

Here are some lovely Suits that have been just received. One of silk popiin is the creation of a coming French designer in America, who has used as his models two Paris creations, the one by Poiret the other by Bernard.

This Su't has a natty box coat, with ruffle on bottom and cut-away effect. The collar is fancy and of the same material, set off with a chiffon ruffle, while pretty lace is used as a trimming on the cuffs. The skirt has a double poplin effect.

Other models of equal style and by the same designer in serge, trimmed in moire.

ACTION MAY BE TAKEN IN CASES OF LABOR MEN

Chicago, III., April 10.—When the United States Circuit Court of Appeals convenes on Tuesday for the Appeals term, it is probable that action will be taken in the cases of thirty labor men who were found guilty of conspiring to transport dynamite in violation of the interstate commerce law.

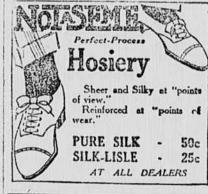

A motion for a rehearing in the cases of the six defendants who were granted new trials by the Court of Appeals is to be pressed by the government, and it is expected that a move for a stay will be presented in view of the twenty-four other defendants who face prison sentences.

Counsel for the defendants have prepared a petition for pardon for their clients, and it is believed a stay will be asked, at least until the petition receives attention from President Witeceives attention from President Wil-

SUMMER SESSION WILL BE HELD AT DUBLIN

[Special to The Times-Dispatch.]
Pulaski, Va., April 10.—It has been officially announced that the William and Marry Summer Session will be held again this summer at Dublin Institute, Dublin. The school was established three years ago by the faculty of William and Mary College, Williamsburg, Va., offering a summer course to students and tenchers, which has proven most successful. However, there was intimation that the school would not be resumed during the coming summer owing to the curtailment of school funds by the recent Legislature. In connection with the announcement it is stated that the faculty will be increased and the course of study broadened, while indications are most promising for an increased attendance of students. The climate has proven a great attraction to the members of the faculty who are accompanied by their families.

CAPTAIN COOPER WILL COMMAND LOUISIANA

LEGAL STATUS OF KISS IS FORMALLY DECLARED London, April 10.—The legal status of the kiss has been formally laid down by the imperial Court at Leipseig as follows:

A kiss is an operation performed on the body of another, which always requires the permission of the person kissed. Kisses may only be given without special permission when trick consent is certain; that is to say, in the case of close relatives, children, or lovers, If, however, the other party not merely affects cayness, but offers serious relistance, the kiss may be regarded as illiegal with personal rights and infringement of honor. Whoever under such circumstances imposes a kiss on another renders himself guilty of assault."
